Notes:

- Locations are approximate, not to be used for navigation.
- There are two orange mooring buoys along the south shore as you near Hidden Cove Marina. They are round, bright orange, one is about a mile from the marina and one is a quarter mile from the marina – these buoys are not Hidden Cove Marina Mark 1.
- Hidden Cove Marina Mark 1 is 200 feet from the end of the western most dock.
- Hidden Cove Marina Mark 2 is a beat up old Corps mark. If you look closely you will see a “7” in the mark – but it is tough to see.
- Cottonwood Creek Marks are actually mini barges with “Slow No Wake” signs on them.
