- **Boat Engine Repair: Thaddeus Young**  
“I am a certified automotive technician. I have multiple ASE and college level certifications. I repair boats, Paint and body, equipment (lawn mowers to front end loaders— I have a specialty in fork lifts), and homes. I have experience in all fields for multiple years. I often tell people with enough time and money, I can repair anything. The real question is it worth it.  
Give me a call at [972-415-5910](#). Advice is free. Leave me a message I will get back with you asap.”
  
- **Sail Recycling: Tammy Aud**  
“I sew and have a small, at home embroidery business as well and I would love to be able to turn someone’s sail into an item of their choosing; a bag, a cushion cover, a throw pillow for their boat, a patio sail for shade, etc.bring on the ideas. If you have anyone that is interested please feel free to contact me by phone, text or email.”
